

**“WE HAVE GOOD NEWS, BUT WHAT IF.....”**  
**1 Corinthians 15**

**Big Idea:** Without the Resurrection, we have no hope to offer the world.

**1. We Have A Wonderful Message To Proclaim To The World.**

1) Some thoughts about the Message:(1,2)

This Message, was the Gospel

This Message was received

This Message led to their Salvation and Stability

This Message was not of Paul’s invention

This message was of 1<sup>st</sup> Importance

2) The Message (3,4)

Christ DIED for our sins according to the scriptures

Christ was BURIED

Christ was RAISED on the third day according to the scriptures and Appeared to many witnesses

**2. Let’s Consider The Sobering Question; What If There Were No Resurrection? (12-20)**

If there was no resurrection the following would be true:

1) Our preaching is meaningless (14)

2) Our faith is useless (14)

3) We misrepresented God (15)

4) We are still in our sins (17)

5) Our loved ones who have died have perished (18)

6) We are to be pitied for believing such a lie (19)

BUT, Christ has raised from the dead...(20)

The Resurrection changed the cross from a tragedy into a triumph, from a symbol of despair to a symbol of hope!
